United States of America

v.

ROBERTO VASQUEZ

Affiant, Jeremy T. Waechter, being duly sworn do hereby depose and state that I am a Deputy United States Marshal for the Western District of Texas and authorized to enforce the laws of the United States of America, including but not limited to, the investigations to locate and apprehend federal fugitives.

Affiant has been employed with the United States Marshals since January, 2015. I attended the Federal Law Enforcement Training Center in Brunswick, Georgia for Criminal Investigators and Basic Deputy Training for approximately 22 and ½ weeks.

On March 30, 2016, DUSM Waechter was notified by the Federal Bureau of Prisons that federal inmate Roberto VASQUEZ had escaped from the Dismas Charities Residential Re-entry Center located at 24 W Industrial Loop in Midland, Texas. VASQUEZ was charged with A Violation of Supervised Release in the Western District of Texas. On January 29th 2015, VASQUEZ was sentenced by U.S. District Judge Alia MOSES to 21 months in the custody of the Federal Bureau of Prisons. On February 25th, 2016, VASQUEZ arrived at Dismas Charities in Midland, Texas to complete his federal prison sentence. He was to remain there until June 25, 2016. At that time he would be released to the supervision of the U.S. Probation Office in Midland, Texas.

On March 30, 2016 at 1107hrs VASQUEZ was waiting in the lobby of Dismas Charities to provide his monthly urinalysis sample. Prior to providing the sample VASQUEZ exited the front door and left Dismas Charities without any written or verbal permission. The staff at Dismas Charities was notified and initiated "escape" procedures. A notice of Escaped Federal Prisoner was issued from the CCM Office of the Federal Bureau of Prisons in San Antonio, Texas. To this date, VASQUEZ's whereabouts are unknown.

Affiant believes that ROBERTO VASQUEZ is in violation of 18 USC 751, Escape. Affiant requests issuance of a warrant for VASQUEZ for Escape, a violation of 18 USC 751
